

Services

Who should write your Will!

Being specialists in all aspects of Wills and Estate Planning we are able to offer a highly efficient service that is cost effective compared to using solicitors or the banks. Will Makers of Ashton are a Member of the Institute of Professional Willwriters, this gives peace of mind that you are using a professional company whose consultants are all fully qualified, regulated and comply with an OFT Approved IPW Code of Practice.

The Services that we offer include

- Wills - all our Wills include full attestation service
- Mirror Wills - two wills with similar wishes for married couples, unmarried partners or same sex couples
- Business Wills - covers partnerships or limited company's
- Property Trusts - ensures your share of your home is left in line with your wishes and not to potentially pay for care home fees
- Children's & Disability Trusts - designed to protect assets
- Life Time Trusts - saves on probate costs and safeguards your assets for your family
- Tax efficient Wills & Trusts - minimise inheritance tax
- Codicils - a small amendment to an existing Will
- Lasting Powers of Attorney - both Property & Financial Affairs and Health & Welfare (we offer full registration service)
- Living Wills - allowing you to indicate that you wish to refuse certain types of medical treatment
- Will Storage - will store house deeds at no extra cost
- Probate - fixed price competitive quotations using UK leading Solicitors and Trust Corporations. We will assist in obtaining grant of probate only
- Pre-paid funeral plans - arranged with local funeral director of your choice
